If your radiator leaks, poor in

SE-MENT-OL

The self-acting radiator cement

Finds the Leak and Fixes It

Se-Ment-ol is a powder put up in lithographed tin cans. When poured into your radiator it dissolves in the hot water. At the leak, the cool air congeals it into a cement that repairs it automatically.

Look for the pumpkin colored cans, Price 75c

THE COUNTRY AND A MAN

"This country is in a shamefully unprepared condition," said a Patriot, the other day.

"It is," observed his companion. "Do you pay your life insurance premium quarterly, or annually?"

"Life insurance?" echoed the other. "Why—I—er—don't carry any life insurance."—Allroads Life Bulletin.

FIRST COTTON BLOOM

Mr. Rayless Taylor at Iva Takes Off Cotton This Season. The first cotton blossom of this season in Anderson county was reported yesterday afternoon when Mr. Charlie Evans of the Watson Drug Company at Iva telephoned the intelligence that Mr. Rayless Taylor, a farmer living about two miles from Iva, had brought in a bloom. He stated that Mr. Taylor's cotton was exceptionally good, being nearly knee high.

This is the first bloom to be reported in Anderson county this season. Cotton is doing splendidly at present and growers within a few days there will be a lot of blooms.

CHICHESTER'S PILLS

Medical Ask your Druggist for Chichester's Pills in Red and Gold wrapper. They are made with the finest ingredients, and are the only pills that are so safe, so effective, and so pleasant to take. Always keep a box on hand. Sold by Druggists Everywhere.

SAYS HOT WATER WASHES POISONS FROM THE LIVER

Everyone should drink hot water with phosphate in it, before breakfast.

To feel as fine as the proverbial fiddle, we must keep the liver washed clean, almost every morning, to prevent its sponge-like pores from clogging with indigestible material, sour bile and poisonous toxins; say a noted physician.

If you get headaches, it's your liver. If you catch cold easily, it's your liver. If you wake up with a bad taste, furred tongue, nasty breath or stomach becomes rancid, it's your liver. Sallow skin, muddy complexion, watery eyes all denote liver uncleanness. Your liver is the most important, also the most abused and neglected organ of the body. Few know its function or how to release the dammed-up body waste, bile and toxins. Most folks resort to violent cathartics, which is a dangerous salivating chemical which can only be used occasionally because it accumulates in the tissues, also attacks the bones.

Every man and woman, sick or well, should drink each morning before breakfast, a glass of hot water with a teaspoonful of limestone phosphate in it, to wash from the liver and vessels the previous day's indigestible material, the poisons, sour bile and toxins; thus sweetening, cleansing and refreshing the entire alimentary canal before putting more food into the stomach.

Chronic constipation does not restrict the bile like cathartics, because it can not get rid of it. It is harmful, but you can get rid of it afterwards in the morning.

and any physician will tell you a healthy body with a healthy liver is a healthy body. It is the only way to get rid of the poisons and toxins that are in the body.

UGH! CALOMEL MAKES YOU SICK. DON'T STAY BILIOUS, CONSTIPATED

"Dodson's Liver Tonic" Will Clean Your Stagnant Liver Better Than Calomel and Can Not Salfate.

Calomel makes you sick; you lose a day's work. Calomel is a salivator and it salivates; calomel injures your liver. If you are bilious; feel laxy, sluggish and all knocked out, if your bowels are constipated; and your head aches or stomach is sour; just take a spoonful of harmless Dodson's Liver Tonic instead of using sickening, salivating calomel. You'll know it next morning because you will wake up feeling fine, your liver will be working, your headache and dizziness gone, your stomach will be sweet and bowels regular. You will feel like working. You'll be cheerful; full of energy, vigor and ambition.

Your druggist or dealer sells you a 50-cent bottle of Dodson's Liver Tonic under my personal guarantee that it will clean your sluggish liver better than nasty calomel; it won't make you sick and you can eat anything you want without being salivated. Your druggist guarantees that each spoonful will start your liver, clean your bowels and straighten you up by morning or you get your money back. Children gladly take Dodson's Liver Tonic because it is pleasant tasting and doesn't gripe or cramp or make them sick.

I am selling millions of bottles of Dodson's Liver Tonic to people who have found that this pleasant, vegetable liver medicine takes the place of dangerous calomel. Buy one bottle on my sound, reliable guarantee. Ask your druggist about it.

FOR SALE

Two second hand Ford cars—one 5 passenger and one Roadster.

Don't delay if interested, as there were a number of buyers for the car advertised a few days ago.
